

National Police Memorial Day

Important notice ahead of Sunday 29th September 2024

We're looking forward to welcoming you to our 21st National Police Memorial Day in Glasgow on Sunday 29th September 2024. We thought it would be helpful to send a short reminder of important information to help with planning.

Some timings may have changed slightly from our previous newsletter.

Glasgow is a Low Emission Zone (LEZ)

There are some exemptions, including for Blue Badge holders. You can find out more about national LEZ exemptions by [clicking on this link](#)

You cannot pay to enter a LEZ in Scotland.

All vehicles entering the city centre zone area must meet the less-polluting emission standards or face a penalty charge. The initial penalty charge rate is set at £60. The rate will double however with each subsequent breach of LEZ rules.

Full details about the operation of LEZ penalties [can be found here](#)

There are no cloakroom or locker facilities

Please bring only essential bags into the venue as there are no storage facilities in the venue. There will be a bag search on arrival.

Record a video tribute for the Police Remembrance Trust Roll of Honour website

If your loved one is listed on the Police Roll of Honour and you would be willing to film a short dedication that we can use online then we would be delighted if you could find the time on the day to do so.

Please let us know when you arrive or come to our 'media accreditation desk' close to main registration area. Your video will then be published alongside the digital listing of your loved one on the Police Roll of Honour @ policememorial.org.uk

Donations to the charity

There will be no cash collections on the day. Donations will be gratefully received using the QR code below which you will find in the commemorative brochure, on posters, banners, and digital screens throughout the venue.

We look forward to seeing you in Glasgow
